ORDINANCE NO. 2280
BALLOT PROPOSITION TO BE SUBMITTED DIRECTLY TO THE VOTERS

The People of the City of Monterey Park do ordain as follows:

SECTION 1: *Adoption of Data Center Prohibition*. The Monterey Park Land Use and Urban Design Element, as adopted by Ordinance No. 2198 (approved by voters as Measure JJ on November 3, 2020), is amended to add the following prohibition for all land use designations:

"**Prohibited Land Use Designations**

Prohibited: All data centers are prohibited throughout the City. "Data Center" means a building, dedicated space within a building, or group of structures located on one or more acres of land used to house a large group of networked computer systems used for data storage and processing for off-site and on-site users, to be used for the remote storage, processing, or distribution of large amounts of data. Such facilities may also include air handlers, power generators, water cooling and storage facilities, utility substations, back-up batteries, fire suppression systems, enhanced security features, and other associated utility infrastructure to support operations. This definition does not apply to smaller data processing facilities that are located on less than one acre of land and where such facilities are accessory or incidental to another primary use."

SECTION 2: *Implementation of this Proposition.*

A. Upon the effective date of this Proposition and notwithstanding any limitation on the City Council's authority set forth in this Proposition, the City Council is authorized and directed pursuant to Elections Code § 9217 to promptly take appropriate actions needed to implement this Proposition including, without limitation, adopting all zoning regulations needed to effectuate this Proposition by ordinance.

A. In the event another ballot measure (a "Competing Proposition") appears on the same ballot as this Proposition that seeks to adopt, impose, or amend any limitations or restrictions, or other regulations or requirements, including, without limitation, those with respect to the actions authorized by this Proposition, that differ in any respect to or supplement, those contained in this Proposition, the voters declare their intention that, if both the Competing Proposition and this Proposition receive a majority of votes cast, the Competing Proposition and this Proposition be fully adopted except to the extent that specific provisions contained in each measure are deemed to be in direct conflict with each other on a "provision by provision" basis pursuant to *Yoshisato v. Superior Court* (1992) 2 Cal. 4th 978. With respect to any such directly conflicting provisions, the specific provisions of the Proposition receiving the greater number of votes will prevail.

SECTION 3: *Interpretation*. This Proposition must be interpreted to be consistent with all federal and state laws, rules, and regulations. If any section, sub-section, sentence, clause, phrase, part, or portion of this Proposition is held to be invalid or unconstitutional by a final judgment of a court of competent jurisdiction, such decision does not affect the validity of the remaining portions of this Proposition. The voters declare that this Proposition, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would have been adopted or passed irrespective of the fact that any one or more sections, sub-sections, sentences, clauses, phrases, part, or portion is found to be invalid. If any provision of this Proposition is held invalid as applied to any person or circumstance, such invalidity does not affect any application of this Proposition that can be given effect without the invalid application.

SECTION 4: *Repeal and Supersession*. The People adopt this Proposition with the specific intent of superseding any contrary regulation, including those previously adopted by the People, or administrative policy and procedure. Consequently, all regulations that conflict with this Proposition are repealed or modified to reconcile them with this Proposition.

SECTION 5: *Construction*. This Proposition must be broadly construed to achieve the purposes stated in this Proposition. It is the People's intent that the provisions of this Proposition be interpreted or implemented by the City and others in a manner that facilitates the purposes set forth in this Proposition.

SECTION 6: *Enforceability*. Repeal of any provision of the MPMC does not affect any penalty, forfeiture, or liability incurred before, or preclude prosecution and imposition of penalties for any violation occurring before this Proposition's effective date. Any such repealed part will remain in full force and effect for sustaining action or prosecuting violations occurring before the effective date of this Proposition.

SECTION 7: *Validity of Previous Code Sections*. If this entire Proposition or its application is deemed invalid by a court of competent jurisdiction, any repeal or amendment of the MPMC or other ordinance by this Proposition will be rendered void and cause such previous MPMC provision or other the ordinance to remain in full force and effect for all purposes.

SECTION 8: *Severability*. If any portion of this Proposition is held by a court of competent jurisdiction to be invalid, the remainder of the Proposition and the application of such provision to other persons or circumstances will not be affected thereby. We the People indicate our strong desire that: (i) the City Council use its best efforts to sustain and reenact that portion, and (ii) the City Council implement this Proposition by taking all steps possible to cure any inadequacies or deficiencies identified by the court in a manner consistent with the express and implied intent of this Proposition, and then adopting or reenacting such portion as necessary or desirable to allow imposition of the tax.

SECTION 9: *Effective Date*. This Proposition will be submitted to a general election on June 2, 2026 for voter approval. If a majority of voters vote in favor of this Proposition, it will become valid and binding 10 days after the date that the City Council certifies the election results in accordance with Elections Code § 9217. The Mayor will sign this Proposition, and the City Clerk will attest and certify to the passage and adoption of this Proposition.

PASSED AND ADOPTED this 2nd day of July, 2026.

Henry Le, Mayor
